

# Wedding Professionals Business Conference

## Exhibitor Testimonials 2008

- "I love this Expo! Not only did I meet some great people and do some powerful networking, but I left at the end of the day with a couple of speaking engagements. And then, in April, I received a call from a planner who is now my newest client."

~Jeff Klein, Klein Creative

- "The Wedding Professionals Business Conference has been wonderful for the Association of Wedding Professionals (AWP)! We have exhibited at the WPBC the past two years primarily as a membership drive by exposing and introducing our association to all the wedding professionals in attendance. As a result, we have had tremendous success increasing our membership!"

~Dwayne Lee, Past President, Association of Wedding Professionals

~Wrapped Around You

- "The speakers were all GREAT! I learned so much today! I do wish I had more time to see the exhibitors. Maybe because I attended a seminar at every session that was hard? Or maybe I talked too long at each of the booths I did see! Thanks Naomi for another great event packed with all the info I needed and all the info I didn't know I needed!"
